To learn more and apply, please go to: [www.mvvoart.com](http://www.mvvoart.com)

---

**AD ART SHOW 2023 will be at Powerhouse Arts**, a leading contemporary Art Fabrication Facility housed in the spectacular former Brooklyn Rapid Transit power plant. Built in 1904 and once affectionately known as “The Batcave.” Powerhouse Arts was redesigned and reimagined by Herzog & de Meuron, the architects of the Tate Modern. The perfect setting to see contemporary art.
